Work Experience

❖ **2024 - now** **Student assistant - Webko**

Following a 3 month internship at Webko from January, I was hired as a part time student assistant.
My work primarily consisted of design, development and programming of websites in WordPress, in accordance with clients' existing visual identities.

❖ **2021 - now** **Freelance - Sandager Design**

I have taken on diverse freelance assignments since 2021. These include design for print, product images for webshop, SoMe consulting and website development.

Education

❖ **2024** **Multimediedesigner - Erhversakademi MidtVest**

Student council representative
Electives: Google and Facebook advertisement, Video and Animation, CMS and Database,

❖ **2021** **Folk high school - Vestjyllands Højskole**

A 3 month stay at a folk high school with courses in visual arts and ceramics.
